2. Grant of License

Subject to the terms and conditions of this Agreement, Licensor grants Licensee a non-exclusive, non-transferable, limited license to install and use the Software solely within Licensee's own Business Central Environment for Licensee's internal business purposes.

This license does not include the right to:

- sublicense, resell, or otherwise transfer the Software to any third party;
- modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Software, except as permitted by applicable law;
- remove or alter any proprietary notices, labels, or marks on the Software;
- use the Software to provide hosted services to third parties (including SaaS, bureau services, or managed services) without a separate written agreement with Licensor.

3. Microsoft AppSource and Platform Terms

The Software is distributed through Microsoft AppSource. Licensee acknowledges that:

- Microsoft's Marketplace Terms of Use apply to the acquisition of the Software through AppSource and are incorporated herein by reference;
- Licensor, not Microsoft, is solely responsible for the Software, its content, and support;
- Microsoft is not a party to this Agreement and has no obligation of any kind with respect to the Software;
- use of the Software requires a valid Microsoft Dynamics 365 Business Central subscription, which is governed by a separate agreement between Licensee and Microsoft.

4. Payment Processing

4.1 Third-Party Service. The Software facilitates payment processing by connecting Licensee's Business Central environment to one or more Payment Processors. Licensee must independently obtain and maintain a valid merchant account with each Payment Processor it elects to use. Licensor is not a payment processor, money transmitter, or financial institution, and does not process, transmit, or store payment card data on Licensee's behalf.

4.2 PCI DSS Compliance. Licensee is solely responsible for ensuring its use of the Software complies with all applicable Payment Card Industry Data Security Standards (PCI DSS) requirements. Licensor makes no representation that use of the Software alone satisfies any specific PCI DSS control.

4.3 Payment Processor Terms. Licensee's use of any Payment Processor is governed solely by the agreement between Licensee and that Payment Processor. Licensor has no responsibility for the availability, performance, fee structure, or terms of service of any Payment Processor. Licensor does not guarantee that any particular Payment Processor will remain supported in future versions of the Software.

4.4 API Credentials. Licensee is responsible for safeguarding all API keys, store IDs, terminal IDs, and other credentials issued by Payment Processors and entered into the Software. Licensor shall not be liable for unauthorized transactions or data exposure resulting from Licensee's failure to maintain the security of such credentials.

4.5 Transaction Disputes. All transaction disputes, chargebacks, refunds, settlement delays, and fraud claims must be resolved directly with the applicable Payment Processor. Licensor has no involvement in such matters and accepts no liability for any loss, cost, or damage arising from them, regardless of the circumstances.

5. Intellectual Property

The Software, including all source code, object code, algorithms, documentation, and related materials, is and remains the exclusive property of Licensor and is protected by Canadian and international copyright, trade secret, and other intellectual property laws.

No title to or ownership of the Software or any intellectual property rights therein is transferred to Licensee under this Agreement. Licensee acquires only the limited license rights expressly set out herein.

6. Updates and Support

6.1 Updates. Licensor may, at its discretion, make updates, patches, or new versions of the Software available through Microsoft AppSource. Licensor is under no obligation to provide any specific update or to maintain compatibility with future versions of Business Central beyond commercially reasonable efforts.

6.2 Support. Support for the Software is provided by Licensor under separate support terms. For support inquiries, contact: legal@sandhamadams.com.

6.3 Discontinuation. Licensor reserves the right to discontinue the Software or any features thereof at any time upon reasonable notice to Licensee.

7. Confidentiality

Licensee acknowledges that the Software embodies trade secrets and confidential proprietary information of Licensor. Licensee agrees to take reasonable steps to prevent unauthorized disclosure or use of the Software and to promptly notify Licensor of any known or suspected breach of this obligation.

8. Disclaimer of Warranties

THE SOFTWARE IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LICENSOR EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT.

Licensor does not warrant that the Software will operate uninterrupted or error-free, that defects will be corrected, or that the Software is compatible with all configurations of Business Central or all Payment Processor API versions. Licensor makes no warranties regarding the accuracy of any financial calculations, tax amounts, or exchange rates produced by the Software.

9. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION LOSS OF PROFITS, REVENUE, DATA, BUSINESS OPPORTUNITY, OR GOODWILL) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Licensor's total cumulative liability to Licensee for any and all claims arising under or related to this Agreement shall not exceed the amount actually paid by Licensee for the Software in the twelve (12) months immediately preceding the event giving rise to the claim.

Some jurisdictions do not allow the exclusion or limitation of certain warranties or damages. To the extent such exclusions or limitations are not permitted by applicable law, they shall apply to the fullest extent permitted.

10. Indemnification

Licensee agrees to indemnify, defend, and hold harmless Licensor, its officers, directors, employees, and agents from and against any and all claims, damages, losses, liabilities, costs, and expenses (including reasonable legal fees) arising out of or relating to: (a) Licensee's use or misuse of the Software; (b) any breach of this Agreement by Licensee; (c) Licensee's failure to comply with applicable laws, including PCI DSS requirements; or (d) disputes between Licensee and its customers or Payment Processors.

12.3 Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the Software and supersedes all prior representations, agreements, and understandings, whether written or oral, relating to the subject matter hereof.

12.4 Amendment. Licensor reserves the right to amend this Agreement at any time. Continued use of the Software following notice of an amendment constitutes acceptance of the amended terms.
